Roll call is the time when participants are expected to check-in by.
check-in is followed by inspection for fitness, lameness or "in season" females

TEST HOURS: 8:30 am CST until completed.

ROLL CALL Check in will be ½ hour before your block. Check-in/roll call ends at 1:00pm on day of event. We will be running the dogs in time blocks, so you will be able to get both runs in the same block. We can adjust the run time for second runs to allow for cooling down dogs. We will also adjust runs due to conflicts with the conformation showtimes.

You will be expected to have complete info for your dog.
Incomplete entries WILL NOT BE ACCEPTED

FAST CAT

The FAST CAT is a timed straight race of 100 yards where a dog chases a lure. Dogs are run singularly and earn points based on their handicapped speed. There are no placements. Titles are issued at designated benchmarks. The dog's time to complete the 100 yard dash is converted into MPH. Dogs earn points based on their handicapped speed. A handicap system is applied to a dog's MPH to determine the number of points earned. The handicap system is based on the height of the dog at its withers:

- 18" or greater = handicap is 1.0
- 12" up to less than 18" = handicap is 1.5
- Below 12" = handicap is 2.0

Points = MPH multiplied by the dog's handicap

Titles are earned by accumulating points. The following titles will be awarded:

BCAT = 150 points
DCAT = 500 points
FCAT = 1,000 points
FCAT# = every additional 500 points.

ALL DOGS RUN AT OWNERS SOLE RISK

TIPS FOR HANDLERS

1. The outer field is mostly fenced. It is strongly recommended that prior to running your dog, you have good “recall” control over your dog, as the dogs will be running off-leash in an enclosed fence line for the 100 yards and catch area.
2. Handlers should wear comfortable shoes and be physically able to hold and release their dogs or catch them.
3. Dogs will be brought to the start line on a leash and released only upon a verbal signal (“Tally-Ho!”) from the Huntmaster. Dogs may be released by hand, folded leash, or using a traditional lure coursing slip lead.
4. **The handler may choose to release or catch their dog. If the handler releases their dog, they should have someone familiar with the dog at the end of the course to retrieve the dog. If the handler chooses to catch their dog, they should have someone else release their dog at the start line. The catcher is expected to promptly secure the dog and leave the field with the dog on a leash.**
5. Handlers are advised to warm up their dogs prior to their run and walk them for about 10 minutes afterward.
6. Any person, upon reasonable complaint, may be asked to leave the grounds of the test by the Field Committee and may be disciplined by the AKC. Children must be under the control of their parents or guardian(s) at all times.

Neither Huntsville Obedience Training Club, nor its members, will be responsible for any accidents at this trial.
